**Information on Art. 3g para. 1 lit. d) Regulation (EU) No. 833/2014 - Import ban for iron and steel products from September 30th, 2023 for products listed in Annex XVII, provided that they have been processed in a third country using goods of Russian origin.**

Dear Ladies and Gentlemen,

since September 30th, 2023, the import of goods originating in Russia or goods produced using goods of Russian origin has been prohibited. The ban only affects products from

Annex XVII of the Russia Embargo Ordinance of any origin:

1. ferrous and non-alloy steel (CN codes 7206 to 7217),
2. stainless steel (CN codes 7218 to 7229),
3. Articles of iron or steel (Chapter 73);
4. for goods of code 7207 11, the ban will apply from April 1st, 2024,
5. for goods of codes 7207 12 10 and 7224 90 from October 1st, 2024.

In view of the prohibition under the above regulation, we are working with our suppliers to ensure that no iron and steel products of Russian origin are used in our products.

Therefore, we can confirm that we do not knowingly use any goods in our production that contradict the above-mentioned regulation.
